Sir:

Listed on the attached Form PTO/SB/08A is a document known to applicants and identified in order to comply with Applicants' duty of disclosure pursuant to 37 C.F.R. §1.56. Pursuant to 37 C.F.R. §1.98(a)(2)(ii), copies of U.S. patents and publications have not been provided. The material is being identified to comply with the provisions of 37 C.F.R. §§1.97-1.98.

The citation of any document herewith is not intended as an admission that such document constitutes prior art against the claims of the present application or is considered to be material to patentability as defined in 37 C.F.R. §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* prior art reference against the claims of the present application.

Cited as reference A1 is U.S. Patent No. 5,775,431 to ONDRACEK which was identified in currently pending U.S. Patent Application No. 2006/0113093 (the '093 Publication), filed on December 1, 2004, having Application No. 11/000,129 and identified as reference A2 in the

Information Disclosure Statement filed on May 6, 2008. As was indicated in the previously filed Information Disclosure Statement, the first inventor named in the instant application is also the inventor named in the '093 Publication.

This Information Disclosure Statement is being filed before the first Office Action on the merits after the filing of the May 6, 2008 Request for Continued Examination. Accordingly, it is believed that no fee is required. The Commissioner is hereby authorized to charge any deficiency or credit any overpayment in connection with this fee to Deposit Account No. 50-3840.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08A be returned in accordance with MPEP §609.
